| Yealmpton Woodland Burial Association | http://woodlandburial.org.uk/wordpress/ | 07739 806 898 | Yealmpton | Community owned |

Some Town & Council's have cemeteries available but not all - information should be available on their websites

There are also various religious denomination cemeteries all over Cornwall often in grounds of churches/chapels. Speak with your funeral director about contacts for these or directly with them if you are not using a funeral director.

Crematoriums and Burial Sites in blue are actually in Devon but it is sometimes easier and preferable to access these services when living close to the border.
